COSCA RECOGNITION SCHEME FOR ORGANISATIONS

ANNUAL MONITORING PROCESS

Monitoring of COSCA Recognised Organisations is carried out annually. The information below is offered to help you to complete the Annual Monitoring Form (AMF).

It is a requirement of continued Recognition status that Recognised Organisations:

- ✓ complete all sections of the AMF and submit this to COSCA (the AMF is sent to Recognised Organisations annually)
- ✓ submit copies of all updated and new documentation

The Annual Monitoring Form:

- ✓ updates COSCA on any changes and developments
- ✓ provides a means of ensuring that the standards originally met are maintained
- ✓ enables organisations to re-evaluate their internal policies and procedures
- ✓ allows for the information supplied to be variable

COSCA will undertake the following on receipt of the completed AMF and supporting evidence:

- ✓ acknowledge receipt of the AMF
- ✓ review the information provided
- ✓ if clarification is required, this will be requested to be submitted by a mutually agreed deadline
- ✓ a letter confirming satisfactory Annual Monitoring will be issued

Recognised Organisations are required to note the following:

- ✓ if a Recognised Organisation fails to maintain the standard required by Annual Monitoring and/or to provide requested information/evidence within the agreed deadline, continuation of Recognition will be deferred and the entry on the COSCA Directory of Recognised Organisations will be amended to reflect this
- ✓ failure to provide the requested information with a period of 3 months following deferral will require reapplication for COSCA Recognition, incurring appropriate fees

You are encouraged to contact the Recognition Scheme Development Officer, who will be happy to discuss all aspects of Annual Monitoring with you.
