

## ADVERT – Volunteer Counsellors

Cancer Support Scotland provides emotional and practical support on a one-to-one basis and through community-based groups to anyone affected by cancer including family, friends and carers. We offer free counselling and complementary therapies before, during and after treatment.

We are looking to recruit Volunteer Counsellors to support people affected by cancer in our Outreach Centres in Glasgow, Edinburgh and West Lothian. We require qualified accredited Counsellors, Counsellors working towards their accreditation or Student Counsellors who have a minimum of 100 face to face counselling client hours.

We will reimburse all public travel expenses and **pay for 1.5 hours** of external supervision; however must have your own insurance. Prior to beginning with us we will request references, provide you with an Induction in Cancer Awareness, a Counselling Induction and pay for your PVG certificate.

We have recently launched into the East of Scotland with our partnership with Macmillan Cancer Support, Edinburgh City and West Lothian Council and sees us operate new services alongside existing services in Glasgow, Argyll & Bute and Renfrewshire.
