Monday 8th May 2017

Using the arts with your counselling clients

A 1-day experiential creative arts CPD day which can be used as a taster day for working with the arts in therapeutic practice

What will you gain by attending this course?

- You will practise working with Play-doh, collage and sand both in the counsellor and client role
- You will consider how to integrate using the arts safely in your counselling practice
- You will become familiar with the principles of good practice for working with the arts
- You will increase your self-awareness and both personal and professional growth

Who will benefit from this course?

- Practising counsellors who want to expand their skillset to include using the arts, images and metaphor in their client work
- Professionals using counselling skills as part of their role, and who have gained at least a Certificate in Counselling Skills

Course details

Date – Monday 8th May 2017

Times – 9.30am – 4pm
