COSCA Recognition Scheme for Organisations – Spring 2018 Information Sessions

To promote awareness of the COSCA Recognition Scheme for Counselling, Psychotherapy and Counselling Skills Organisations, COSCA offer the following opportunities to attend information sessions at our offices in Stirling.

The Recognition Scheme is suitable for organisations both large and small and our current members offer a wide range of Counselling, Psychotherapy and Counselling Skills Services across Scotland.

Would you be interested in learning more about a scheme which provides your organisation with:

- the opportunity to make a public statement about the quality of the services it provides
- external recognition by the professional body for Counselling & Psychotherapy in Scotland (*which may be attractive to potential funders*)
- a reflective tool to increase organisational awareness
- support to develop and maintain policies and procedures
- ongoing feedback on organisational strengths and areas for development

If you have answered 'yes' to one or more of the above questions, then why not come along and meet with our Recognition Scheme Development Officer on one of the following dates....

- 1. Thursday 15th March**
- 2. Wednesday 11th April**

Appointments can be booked between 1pm and 4pm. If you wish to come along, please contact myself at the above details to arrange.

For further information on the COSCA Recognition Scheme for Organisations please visit our website or contact myself.
