

GROUP WORK CLINICAL SUPERVISOR

Safe Space has been awarded COSCA recognition as a counselling and counselling skills organisation. Supervision is provided with the aim to ensure the support and monitoring of all counselling and counselling skills work set out by COSCA.

Safe Space have a group work programme using counselling skills for adult survivors of childhood sexual abuse age 16+. All the group support workers have experience of working in groups with survivors of childhood sexual abuse /complex trauma.

We are looking for a sessional clinical Supervisor to provide group Supervision one evening a month for 2hrs with up to 8 group support workers. Payment to be agreed by the Safe Space Manager and Supervisor.

Essential Requirements for the post:

Professional Accreditation (or eligibility for accreditation)

Membership of an appropriate professional body with an Ethical Code and Complaints Procedure

Extensive experience of providing group supervision

Minimum of five years post-qualified experience of counselling with childhood sexual abuse/complex trauma.

If you would like to know more about what is required, please email maureen@safe-space.co.uk

We will email you a copy of the Group Work Clinical Supervisor's contract with essential requirements for clinical supervisors.

This post is only for one year starting April 2022 till the end of March 2023 .

We do not carry out group supervision via Zoom or other remote media.
