

# SUPERVISION TASTER

## GROW BEYOND IMAGINATION

### ★ Explore the essence of Supervision

At Physis Scotland, we're thrilled to unveil our upcoming series of five dynamic online evening workshops, led by the esteemed Nicky Worrall TSTA(P). Get ready to embark on a journey of exploration as we delve into the depths of supervision.

Whether you're already a supervisor or considering adding supervision to your practice, you're invited to sign up for individual workshops or embark on the full series.

This five-part Supervision Taster workshop series will be delivered online, Monday evenings in April to June from 18.30 – 20.30 BST.
