

Freelance Clinical Supervisor

The Spark is seeking freelance qualified practitioners to provide supervision for counsellors working either with Children and Young People, couples or individuals. Suitable candidates must be counsellors qualified at Diploma level with a certificate in Supervision as well as membership of either COSCA or BACP.

The role includes

- Providing individual supervision for qualified and trainee counsellors
- Signposting counsellors with concerns about Risk to the Spark's designated phone line
- Informing the Clinical Practice Team if any counsellors fail to access supervision

Workload

- Up to 12 supervisees to be seen across a month
- Trainee counsellors to be given 1.5 hours supervision for every 6 hours of counselling
- Qualified counsellors to be given 1 hour of supervision for every 12 hours of counselling

The successful applicant will agree to abide by the Spark's governance processes in terms of confidentiality and GDPR. This work will commence January 2021 and continuation of the role will be reviewed based on the Spark's satisfaction with work.

Fee

- £100 per 7-hour day

Applications
