

One policy, an assortment of cover

Our policy for members of COSCA provides a variety of cover in one product, so there's no need for you to purchase a portfolio of different policies to ensure you are protected against various possibilities. Our professional liability policy provides cover for:

- Professional Indemnity
- Public Liability
- Product Liability
- Libel and Slander
- Legal Expenses

We understand that things don't always go to plan, no matter how diligent we are and it's also important to remember that you don't have to have done anything wrong, all it takes is for someone to allege that you have and you may need to defend yourself.

If you ever find yourself in this situation, without an extended Professional Liability policy in place you could be faced with paying substantial damages and having to fund expensive legal fees yourself. Our insurance protects you against the expense and worry associated with legal action potential taken against you.

Don't take a chance on your livelihood, to find out more or to get a quote call our team of advisors on **01438 735251 (Monday to Friday 8.30am -5.30pm)** or visit our website
