Who is this course for?

The COSCA Certificate in Counselling Skills is for anybody who wants to improve their understanding of others and themselves. You will learn to:

- support others by developing practical listening skills
- increase your self-awareness
- build rapport with others

This training is delivered via Zoom, reliable and good quality free software for holding live online meetings. You will be able to see and interact with fellow participants throughout the sessions and split off into breakout rooms for skills practice and small group discussions.

"I was able to deepen my understanding of the counselling approach and the skills that are involved in the process." Owen Clay

"An absolutely life-changing course. Challenging and rewarding but worth every second." Anon.
