Who is this course for?

The COSCA Certificate in Counselling Skills, is for anybody who wants to improve their understanding of other people as well as themselves. You will learn to:

- support others by developing practical listening skills
- increase your self-awareness
- build rapport with others

The course is useful and practical, whether you are a sales person, parent, manager, a professional/volunteer carer or helper.

This training is delivered via Zoom, reliable and good quality free software, for holding live online meetings. You will be able to see and interact with fellow participants throughout the sessions and split off into breakout rooms for skills practice and small group discussions.
