

Job Title: Place2Be Counsellor

Reporting to: Area Manager

About this role:

Together we can change children's lives. Place2Be's mission is to ensure that no child or young person should ever have to face mental health difficulties on their own. For this reason, we are looking for a level 4 (or above) qualified counsellor/therapist who is passionate about supporting children and young people.

As a Place2Be Counsellor, you will be delivering therapeutic interventions utilising Place2Be's Whole School Approach (WSA) which aims to work with all systems (parents, teachers, carers and other agencies). You will deliver therapeutic work as part of the clinical aspect of this role, including group and whole class interventions and will work closely with your school link in improving the wellbeing of the school community. Your main focus will be on the assessment and formulations of referrals into the service, identifying and delivering appropriate interventions and achieving the best outcomes for the children and young people we support. You will work with a whole range of children and young people some of whom may present with anxiety, low mood or may disclose self-harm, suicidal thoughts or who may be experiencing abuse. You will be supported and work closely with your in-house Clinical Supervisor and line manager to discuss your caseload.

Key Responsibilities:

Service Delivery and Practice

- Ensure ethical clinical and operational practice and delivery of a full and effective service.
- Manage referrals from school staff, parents, children and external agencies such as Child and Adolescent Mental Health Service (CAMHS).
- Identify and discuss 'potential referrals' with school staff ensuring discussion of complexity of referrals with your Clinical Supervisor.
- Ensure our value of integrity is at the centre of your approach in communications, practice and commitment to development and learning.
- Carry out assessments and develop formulations to recommend the most appropriate intervention, placing the child and young person at the centre of your decision making.
- Undertake one-to-one clinical work and group work with children and/or young people, utilising creativity and compassion.
- Plan and deliver Place2Talk (drop-in) sessions **and** group work in consultation with the school and your line manager.
- Provide 'Place2Think' within schools for teaching staff to increase their awareness of mental health difficulties in children and provide them with tools to support their practice in the classroom and their wellbeing.
- Provide Parent Partnership sessions for parents/carers to increase their awareness of mental health difficulties in children and provide them with tools to support them with parenting at home and their wellbeing.
- Ensure all service delivery is in line with Place2Be's Equity, Diversity and Inclusion strategy and equal opportunity practices.

Relationships

- Establish positive and effective relationships with the school including the head teacher, school leadership team and wider school community to deliver Place2Be's model of counselling and therapeutic support.

- Build relationships with colleagues within your Place2Be Area as well as the wider teams by actively participating in meetings, events and training thereby sharing best practice to develop clinical thinking, knowledge and learning.
- Build and develop relationships with children and parents/carers to ensure effective delivery of the Place2be service maintaining ethical practice and boundaries at all times.

Safeguarding and Child protection

- Identify and report safeguarding concerns involving child protection or vulnerable adults following Place2Be's policies and procedures as well as school safeguarding compliance.
- When required, make recommendations and consult with the school for referral onto external services.
- Support with reporting as required for statutory purposes such as court hearings or police investigations.
- Keep up to date with all mandatory safeguarding training as required for your role.

Data, Evaluation and Reporting

- Provide termly reports on service delivery and annual outcomes in accordance with Place2Be guidelines and in conjunction with your line manager.
- Accountable for inputting data on Place2Be's School Services System relating to all activities and interventions in the school in a timely and accurate manner ensuring compliance with Place2Be data entry requirements.
- Use data to inform practice and improve impact.
- Understand trends from your data to enable you to contribute to the evaluation and development of Place2Be services nationwide.

You may be asked to undertake any other duties that are commensurate with the post as requested by your manager and you must carry out the duties in accordance with Place2be policies and procedures.

What you will need:
