

POSTGRADUATEDIPLOMA

COGNITIVE BEHAVIOURAL THERAPY

Validated by

We're excited and delighted to announce the launch of our Postgraduate Diploma Cognitive Behavioural Therapy (PgDipCBT) in partnership with Robert Gordon University; an institution celebrated for vocational excellence.

The course, validated by COSCA, blends theory, hands-on practice, and real-world experience to prepare students for professional recognition and meaningful client work.

The PgDipCBT offers a gateway to a deeply rewarding career in Cognitive Behavioural Therapy by providing practical and relevant training to facilitate the development of essential skills.

New Course Starting 4th September 2025 – APPLY NOW
