

COSCA Annual Ethics event 2026

1.30pm–3.30pm via Zoom on
Wednesday 18th February
2026

Ethical and Responsible Use of Artificial Intelligence in Counselling and Psychotherapy

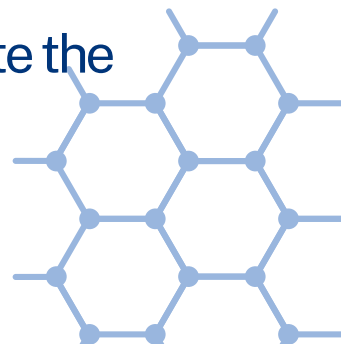

This year's Annual Ethics Event will address:

- How AI technologies are being used in mental health support by clients and professionals
- Ethical and responsible use of AI tools by counsellors to enhance their work
- Client confidentiality, privacy and consent to the use of AI tools by counsellors
- Limitations of AI driven therapy

Keynote Presenter: Kenneth Kelly, Founding
Member of Counselling Tutor and the founder of
ethicalaipractice.com.

Information on the Event programme will follow
nearer the time.
