

Coaching Skills for Counsellors

11th & 18th March 2026

Online: 9.30 am to 4.30 pm

Did you know that as a practitioner of counselling skills, you already have many of the skills that coaches use?

Rowan's Coaching Skills for Counsellors is specifically for counsellors, psychotherapists, and those using counselling skills. You will learn the relationship between coaching and counselling, and be introduced to a coaching competency framework and 2 coaching models.
