Post Graduate Diploma Cognitive Behavioural Therapy (PgDipCBT)

🗨️ Ready to unlock your potential in as a CBT Therapist?

Course Highlights

Our Postgraduate Diploma in Cognitive Behavioural Therapy (PgDip CBT) - delivered in partnership with Robert Gordon University - is a comprehensive, career-focused qualification designed to give students the knowledge, skills, and confidence to practise as a CBT Counsellor or Psychotherapist.

Library Access

Students on our PgDipCBT gain access to a range of academic benefits through our RGU partnership, including access to the RGU library for academic support and research.

Academic Support

All students are assigned a personal academic tutor to guide, support and help you throughout your journey.

Whether it's academic advice, reflective discussions or navigating challenges, your tutor is here to walk alongside you.

£ Funding

Flexible payment plans & tuition fee loans (via SAAS) are available for eligible students.
