

## **EILEEN DOCHERTY COUNSELLING AND PSYCHOTHERAPY**

### **Free Supervision Offer**

I am a TA Counsellor working in private practice in Edinburgh and Glasgow.

I have recently started a Diploma in Counselling Supervision course through Physis Scotland, and as part of this course I need some supervision hours. I am therefore offering **FREE** individual supervision for a fixed period of time to anybody who is seeking a secondary supervisor for additional clinical work.

This could be an opportunity for general supervision, for you to explore a particular problem you are experiencing in your practice, or for those students who are starting out in private practice or on placement.

I am available on a Monday afternoon in Edinburgh and a Friday daytime in Glasgow. Supervision sessions in Edinburgh will take place at The Southside Centre, 86 Causewayside, Edinburgh, EH9 1PY. Supervision sessions in Glasgow will take place at The Meeting Rooms, 34 West George Street, G2 1DA.

Please get in touch if you would like extra supervision.
