Are you worried about work now or post COVID? Are you struggling to re-establish your network or perhaps need to consider more affordable premises? Why not consider your Centre of Clinical Excellence.

We are looking for a Counsellor to join our Wellington Wellness Centre. We are located 2 minutes from Ayr Beach with beautiful surroundings in our newly refurbished town house. As part of our wellness centre, we offer mental health advice and information and therefore having a counsellor on site would be a welcome addition to this superb facility.

We would like to invite interested parties to join our growing centre where we will be able to offer very flexible and affordable high quality facilities with full reception service and ample free parking!

To find out more information, please email [finance@ayrshiremedical.co.uk](mailto:finance@ayrshiremedical.co.uk).

***We look forward to hearing from you and welcome you to pop into our premises at any time for a chat and look around.***
