07593757125

Established in 2016, West End Community Counselling is a service based in Glasgow committed to providing helpful, effective counselling at an affordable fee. You can find out more about our service at www.weccglasgow.com. We are currently looking for experienced counsellors, psychotherapists and CBT practitioners to join our team on a sessional basis. We pay between £30-£40 per session.

If you are interested in joining, we ask that you have your own indemnity insurance and premises. Ideally we are looking for therapists who are able to provide face-to-face sessions in Glasgow, however we are also open to inquiries from those offering online or telephone sessions.

We are looking for therapists with a minimum of 3 years experience, who are members of COSCA/BACP/BABCP or equivalent body, and are either accredited or working towards their accreditation. Successful applicants will be required to join the protection of vulnerable groups (PVG) scheme or undergo a PVG scheme update check.

If you are interested in joining our team please do get in touch at westendcommunitycounselling@gmail.com. When making contact it would be helpful if you could attach a C.V. and let us know about your availability and experience.
